THE PLACE WHERE I

Belong

Moving home can be exciting, a fresh start, a new beginning. It usually starts with a challenge. We've run out of space, our family is growing, we want to own our first home, we want to get onto the property ladder before it's too late, we can afford something a bit bigger, Mum is coming to stay, the kids need space of their own, I need space of my own. The list is endless and personal to each of us.

We've been a family company for generations and we know just what makes families happy at home. Great space to be together, space to be apart. Great surroundings to take the dog for a walk, for the kids to play outside safely, plenty of fresh air, mature trees, a green place, a place to be healthy and happy – that sense of well-being you feel when everything is just right.

Inside it's all about comfort. A gleaming kitchen with plenty of worktops, premium new appliances and space for a proper kitchen table, a garden to enjoy when the weather is right, plenty of storage to hide away the boots, coats, school bags, Hoover, a beautiful bathroom – practical for the family with a bit of luxury for you, bedrooms with space and beautiful oak storage, already built in.

All the little touches that say – this is a quality home built with craftsmanship and by people who really care.

It's warm when you come home each evening to put your feet up, it's bright and airy when you get up in the morning to make coffee, the water is hot when you need it and the energy bills are low. The French doors open to the garden and lure the kids out so inside you can relax for a bit.

You don't have to think about your home because everything is just right. Life is for living. Weekends are for friends, sports, days out, nights in. Your home – the place to snuggle up, be fulfilled, hear laughter, plan the future, feel blessed, know that this is where you belong.

LEAD AN ACTIVE LIFE

Deeside is an area rich in natural beauty. Positioned on the Hill of Banchory, Lochside of Leys is surrounded by beautiful woodland with Scolty Hill and the River Dee nearby. The spectacular Cairngorms National Park is close by and is home to 55 Munros, nine horse riding centres and three ski resorts, offering year-round adventure for the entire family. And if the weather really isn't playing ball, there's the brand new Banchory Sports Village, featuring a 25m swimming pool, squash courts, exercise

rooms, fitness suite, soft play area and café, all within walking distance, and set to open summer 2019.

CULTURAL SPOTS TO KEEP EVERYONE CURIOUS

One of Scotland's most creative places, Banchory is a hive of cultural activity. The Barn is the town's award-winning multi-arts centre, offering music, theatre, film, dance, comedy, visual arts and much more. There's also the annual Banchory Beer Festival, The Banchory Show and the family-focussed Banchory River Festival – something for everyone!

For those interested in Aberdeenshire's rich heritage, there is Milton of Crathes Deeside Railway and several National Trust properties on Banchory's doorstep, including Crathes Castle and Drum Castle. Both castles have attractive grounds, walking trails and ancient woodland.

A WELCOMING COMMUNITY, A THRIVING TOWN

Banchory is a thriving community with everything you need on your doorstep including a busy high street, packed with independent businesses, brasseries and boutiques. With a bookshop, butcher, outdoor shop, florist, garden centre, The Unit Gym and beauty salon, there's everything you could need. There's a monthly farmer's market, or if you'd prefer to grow your own produce, there are a large number of allotments available at Woodend Barn.

Deeside is famous for its local produce, so if you fancy dining out, then from bistro to café to luxury hotel, you'll always find somewhere special to go for every occasion.

If you are simply looking for a convenient food shop, there's a Tesco, Morrisons and Co-op. Local services include a medical practice, opticians, dental practice, several banks and a post office.

GETTING AROUND

Aberdeen is an easy commute, just 18 miles away, as is Aberdeen airport and there is easy access to the AWPR. There is a good public bus service that connects the town to Aberdeen's central transport and shopping hub, Union Square. If you're feeling adventurous, there's the stunning long-distance cycle and walking route, the Deeside Way which connects Aberdeen to Ballater.

EDUCATION

Banchory prides itself on its award-winning schools. Banchory Academy regularly features highly in the Scottish secondary school league tables. Banchory Primary School is one of two primary schools in the town and also incorporates a nursery, community library, and a large sports hall.

Lochside of Leys

A STUNNING COUNTRYSIDE LOCATION
IN THE HEART OF DEESIDE

Enjoy the freedom that our All Inclusive Homes brings. We pride ourselves on including all the little things that you'll want. There is no need to think about added extras when you buy a Bancon home as we've thought about them for you.

The kitchen is really the heart of your home, where you spend time cooking, chatting, kids at the kitchen table doing their homework, friends over for a casual supper. The kitchen is where it all happens. Family and friends gather there and there's plenty of space for everyone. Plenty of space too for cooking, from quick mid week suppers to big Sunday lunches, with streamlined work surfaces, great storage and all the best appliances (Siemens of course).

Your Leicht kitchen comes from Kitchens International and our designers work with them to create the perfect kitchen, whatever your lifestyle, with soft close drawers and stylish finishes. When it comes to taste, it's all yours and you can choose the kitchen colours and finish that suits you best.

The kitchen comes complete with a single oven and an induction hob – heat when you need it, faster than gas, easy to clean, more energy efficient and more importantly, safe for the kids as the hob cools down quickly. When it's time to clear up, your built-in dishwasher is waiting.

It's the little things that matter like the brushed chrome sockets and switches on the ground floor, the USB points so you don't have to find the plug each time you need to recharge your phone. There is plenty of storage too for bags, coats, suitcases, toys and the things you just don't want to throw out.

In your bedrooms you'll find oak foil wardrobes built in and ready to fill. There's no added extra cost. In the bathrooms and en-suites, you'll find the very best pristine white sanitary ware with contemporary taps, large showers and your choice of Porcelanosa tiling.

Communicating inside your home is important but communicating with the rest of the world is key. We include fibre optic cabling in all our homes, making speed and connectivity easy, when you choose your broadband provider.

We pride ourselves on the level of individual customer care we provide. It really matters to us that each and every customer is happy with their home, we know how important it is. We are delighted to have recently won a Gold Award from independent research company In House Research Ltd. They undertake telephone surveys with the customers of most of the UK's top house builders and we were delighted to know that 98% of our customers would recommend us.

PREMIUM PARTNERS

We know that the quality of finish is just as important as the quality of build. We work with the best suppliers to ensure all the finishes in your home are second to none.

The Loch of Leys

LOCAL NATURE CONSERVATION SITE

The development of Lochside of Leys sits adjacent to the Loch of Leys Local Nature Conservation Site (LNCS). The Loch of Leys LNCS covers around 210 acres, and includes the site of a former Crannog entirely surrounded by water, on the 'Isle of the Loch of Banchory', which was granted to Alexander Burnard (the name later became Burnett) by Robert the Bruce in 1323.

The loch was drained in 1850, and is now a wetland containing very little open water. It was previously designated as a Site of Special Scientific Interest due to a colony of black-headed gulls and in June 2013, the former SSSI site and a number of other local biodiversity designations were amalgamated into the Loch of Leys Local Nature Conservation Site. The site is made up of the former Loch, woodland and tributaries of the Burn O'Bennie, which form a rich habitat for flora and fauna. Informal footpaths around the South of the Loch and woodlands offer stunning scenery, and a wealth of wildlife, from roe deer to red squirrels, birds and a huge variety of butterflies and dragonflies, along with wildflowers including both common spotted and northern marsh orchids.

The LNCS designation ensures that the land will not be developed, and will be managed to protect its valuable biodiversity and wildlife, with potential for future enhancements.

Beyond the LNCS, the estate lands include a network of formal and informal footpaths, linking Banchory to the policies of Crathes Castle to the East, the Deeside Way to the South, and forestry to the West.

Anyone with a love of the countryside and wildlife will feel right at home at Lochside of Leys.
